Hello!

Hi, I'm Potato! Have you noticed I wasn't on my favorite spot on the couch? Don't worry. I wasn't lost, and I wasn't missing. I was on VACATION!

The End

So that's why I was gone. I wasn't missing. I was exploring! Now I'm back on my favorite spot, dreaming about where to go next.  
Love, Potato

## Up, Up, and Away!

I packed my suitcase, my coziest blanket, and my best little buddy. Then I flew away from Richmond International Airport. I was so sleepy that I snoozed above the pink clouds. Zzzzz...

## Stop 1: Paris, Texas

First, I went to Paris, Texas! They have their very own Eiffel Tower, and it wears a giant cowboy hat! I wore my cowboy hat, too. Yeehaw!

## Home Sweet Home

After so many adventures, I was ready to go home. I trotted back through Richmond International Airport with new stickers and lots of stories.

## Stop 5: Paris, France

My last stop was the other Paris,  
in France! I had a picnic under  
the Eiffel Tower with a croissant,  
strawberries, and cheese. Bonjour!  
That means hello.

## Stop 2: Times Square

Next, I zoomed to Times Square  
in New York City. The lights were  
so big and bright, it felt like  
daytime at bedtime! My tail  
wagged and wagged.

### Stop 3: Florence, Italy

Then I flew over the ocean to Florence, Italy. I trotted on bumpy cobblestones past a giant red dome. Everything smelled yummy. Ciao, Florence!

### Stop 4: Bruges, Belgium

In Bruges, I rode in a little boat on the canals. Pretty white swans floated right past me, and flowers hung from every window. It was so peaceful.
